

Kirklees Success Centre

presents:

Free online courses for Kirklees Residents aged 19+

Would you like to be a volunteer in schools to support young people aged 7 to 11 to help improve attainment, confidence and motivation in numeracy in schools across Kirklees? Would you be able to spare 1 hour a week to help young people in the classroom with their maths?

If so, why not enrol on:

Maths Mates Training with Caroline

You will receive training on:

- The key factors that contribute to a child's numeracy development
- The practicalities of working in school, (e.g. safeguarding, Prevent Duty, record keeping, confidentiality, equal opportunities).
- The different strategies to support numeracy learning for children with diverse needs and learning styles
- The different resources and tools you can use to help a child improve their maths
- The importance of effective feedback and of self-evaluation when helping a child make progress.

The course will run on:

Tuesdays 9.11.21 - 30.11.21

9.30am – 11.30am

OR

6.30pm – 8.30pm

(Course code: FL2122002)

(Course code: FL2122003)

As well as learning about the course content you will also be challenging your skills with Zoom and online worksheets. Friendly tutors will help guide you through the processes. Our training is fun and informal, allowing you to share your own experiences and help each other.
