

Pupil Premium Money 2020

Dear Governors

Pupil premium money has been used in the following ways to support children in school. Obviously, it was a very different year in school and due to schools being closed some of our plans were unable to be fulfilled.

Year Group	Support	Impact
Nursery (part timers)	<ul style="list-style-type: none"> • Group support for SEN/ PP pupils • Intervention groups • Social group • Phonics/ Number groups • Additional staffing until December, then an apprentice appointed. 	<ul style="list-style-type: none"> • Targeted support has resulted in children making progress in the areas of the curriculum they were struggling with and also have personalised targets for development. The children have gained confidence socially and able to mix with other children, talk and take turns. • Speech and language therapist in school half termly so seeing children with difficulties quickly • Support from Educational Psychologist.
Reception (full timers)	<ul style="list-style-type: none"> • 1:1 IEP work for those pupils in this category and also on SEN; • a social group encouraging pupils to turn take, talk to one another and generally interact; • Pre teaching group to aid progress in classes. • a theatre production to boost self esteem and experience something different; • release time for staff to attend meetings regarding those on SEN; • Attending support groups such as ABC • Well being group 	<ul style="list-style-type: none"> • Those children in the social group have developed confidence in speaking with other children and adults in the class. This is also reflected in their ability to participate in group and class discussions. • The 1:1 IEP (Individual Education Plan) work has enabled the pupils to have learning broken down into small steps to build on their understanding and ability to explain. • For the children to access the theatre production. These is an experience that some of our children would not have had opportunity to gain outside of school. The engagement and resulting discussion and language utilised by the children as well as follow up learning was far in excess of the normal curriculum provided. • Increased parental involvement in reading and supporting their child in school • Extra staff member part of the week to support learning in the class. • Artis working with class all year. Class split into 2 groups.

Year 1	<ul style="list-style-type: none"> • Attending review meetings • Enhancements such as theatre groups, coaching etc to build self- esteem. • Visit to Pantomine • Intervention groups such as, phonics, ABC, well being • Additional staffing to provide provision group support • Speech and Language therapist 	<ul style="list-style-type: none"> • Group/ IEP support has resulted in the closing of the gap between vulnerable groups. • Social group has been supporting and developing children's social skills • Improved fine motor skills • Additional resources supporting children's learning and development • Increased progress with provision group support • Phased phonics groups supported progress
Year 2	<ul style="list-style-type: none"> • Support staff leading Numbers count intervention • Weekly individual education plan support. • Reading resources, for the more able • Small reading, writing and maths group interventions • Speech and Language therapist • Well being group 	<ul style="list-style-type: none"> • Those children struggling with maths have shown increased progress having attended 6 weeks of this intervention. The programme was extended to support the more able children • The small steps support has resulted in measureable progress for these pupils on an education plan. • Increased engagement and progress in reading, writing and maths • Structured support for small groups of children • Year 2 focus on SPAG rather than phonics has increased progress.
Whole school	<ul style="list-style-type: none"> • Stay and Play sessions - weekly • Artis - well being group and oracy work • New library books • Counselling training/ Emotional Health and well being training • Emotional and mental health workshops for parents. • Resources for maths assessment/ Speech and language support. • Training for safeguarding • Training for oracy for all staff • Additional sporting coaches for clubs • Office support for parents • Attendance and Pupil Support service buy back. 	<ul style="list-style-type: none"> • All children in KS1 have weekly access to the school library to change books • A support staff member has been trained in basic counselling (Elsa) to support parents in need. • Whole school well being groups - weekly. • Group time for parents to discuss concerns. • Admin time to support parents with applications etc. • School milk subsidised for PP children. • Additional clubs - cookery, art • Support with parents regarding attendance.
