

# Kirklees Success Centre

presents:

Free online courses for Kirklees Residents aged 19+

Do you struggle helping your children at home with their maths? Has it been a while since you have done any maths and would like a recap on how to do certain subjects? Are you considering volunteering in schools and would like to refresh your maths skills? Our online course:

## Your Maths, their maths, our maths with Caroline

will help you with this. This course will look at understanding the different methods that are taught to your child when they are doing their:

- Numberwork – times tables, long division, multiples, prime numbers and factors
- Fractions
- Percentages
- Geometry - shape and space

On this course you will learn how to make maths learning fun and more accessible for both you and your child.

The course will run on:

Tuesdays 28.09.21 - 19.10.21

1.30pm - 2.30pm

OR

7pm – 8pm

Course code FL2122005

Course code FL2122004

As well as learning about the course content you will also be challenging your skills with Zoom and online worksheets. Our training is fun and informal, allowing you to share your own experiences and help each other.
