

Kangaroos' Paper

Autumn 1 2023

What's happening?

We are having such a wonderful first half term as Kangaroos, the children have all settled so well and are enjoying exploring the classroom, getting to know each other and the adults that are with them. Mrs Hayman teaches Monday, Tuesday, Wednesday and Thursday morning and Mrs Abid teaches on a Thursday afternoon and a Friday and Mrs Khan is with us everyday!

We have already been so busy thinking about ourselves, our local area and different homes. The children have drawn some amazing self-portraits using different pencils, they did a super job looking in the mirrors and including their facial features. They have also been thinking about how they have changed since they were a baby and homes in the past. In our Literacy lessons, we have been focusing on finger spaces, capital letters and full stops and using the suffix -s as well as hearing sounds in our words as we write. In Maths, we have been looking at numbers up to 10, thinking about one more and one less, counting on and back and comparing numbers. We have been so busy and can't wait for the rest of the year!
