

# Penguins' Paper

## What's happening?

The children have settled in so well they are working together as a team and are rising to the challenges in Year 2. In our topic work we have been looking at different animal categories and what they need to survive including humans. We will also be looking at our local area in particular we will be looking at the different jobs available and also transport with a focus on trains.

We are going to be focusing on spellings and punctuation this half term as it is really important that this is all in place before the children are expected to write in different forms. We are also ensuring that children have the correct letter formation and size.

We have a coach in on a Tuesday that teaches the P.E and the children are really enjoying the sessions.

## Important dates

Parents evening –  
24<sup>th</sup> and 25<sup>th</sup> October

(Just to let you know how your child is settling in).

Half – term ends – 27<sup>th</sup> October

## Giggle corner

We had 5 minutes before dinner time so I said we could play a game of Chinese whispers. One child shouted out, 'I can't play then because I can't speak Chinese.'

## Reminders

P.E is on Tuesdays and Wednesdays.

We change library books every Friday.

Please bring reading books every day as your children read their books 3 times a week in class.

## WOW WORK

Super story planning with speech.

Brilliant estimation on a number line.
