Internet Safety for Everyone

This is a new newsletter that will be shared each half term to explain ways to keep your children safe on the internet. As you will have seen School Council are learning about this and sharing information in their classrooms.

Fortnite

Fortnite is rated PEGI 12 for frequent mild violence which means it is not suitable for persons under 12 years of age.

What is Fortnite? There are different versions of Fortnite, including a free-to-play Battle Royale game (although money can be spent within the game) where up to one hundred players compete against each other.

What do I need to be aware of?

- Chatting to strangers and inappropriate language: Fortnite contains voice and text chat. Due to the nature of the game, your child may be chatting to strangers and may hear inappropriate language. Ensure your child knows how to report players for any inappropriate behaviour.
- In app purchases: All users can purchase V-Bucks directly through the game. This currency can be used to purchase items in the Fortnite store so make sure you don't store your payment details within the game/device and restrict purchases.

Parental Controls

Fortnite includes several parental controls to help you make it a safer environment for your child including disabling voice chat, filtering language and setting privacy settings. Also, remember to set up age-appropriate parental controls on the device your child is playing on.

Further information [Virgin Media](https://www.virginmedia.com/blog/parental-controls/gaming-fortnite) outline how to set up the different parental controls available: <https://www.virginmedia.com/blog/parental-controls/gaming-fortnite>
